# Getting Ready For School

## Are you School Ready?

*Applications will come out to parents November 18.*

*If you receive an application, you must apply for a place at school by the end of December, even if you are thinking about deferring your child.*

How can we help?

*We have an extensive nursery –school transition programme available to all children and parents who are due to start school. We will discuss the Transition process greater detail during LEAPS later in the year, but if there is something specific you would like us to discuss or cover, please don't hesitate to let us know!*

# Developing Little Learners at Armadale Nursery

## Working together to build our VISION, VALUES and AIM'S

Over the course of the year, we are planning on reviewing our Vision, Values and Aims. ★

By creating our Vision, Values and Aims together, ensures we are all working together, in the same way, towards a shared goal to: 'Get It Right For Every Child!'

How we will do this:

- Seek Parental Views
- Seek Staff Views
- Seek the Children's Views
- Seek the community and stakeholders Views.

# Vision, Values & Aims

- **Vision:** an aspirational statement about what our learning community should be like
- **Values:** the ideals or beliefs we want our children to learn
- **Aims:** future goals for our children
- Fishbowl activity/key question
